RE: Form MR-5, Reclamation Bond
Little Mountain Mine
ACT/057/002
Weber County, Utah

Dear Mr. Reynolds:

I enclosed a bond form for you to complete and submit to the Division. The new estimate was \$188,255 in 1984 dollars. As you mentioned in our telephone conversation, there is a power of attorney that states "any and all bonds, undertakings, recognizances or other written obligations in the nature thereof not exceeding Two Hundred Fifty Thousand (\$250,000) Dollars in any single instance" are covered with this bond. Therefore, it should be a relatively simple matter to revise the bond. The new inflated figures would be up to \$250,567 for 1987.

If you have any questions, please call.

Sincerely,

Pamela Grubaugh-Littig
Reclamation Engineer
